

Surviving the Rainforest (Sole Survivor)

Those lost in the rainforest have a lot to be worried about. From sudden rainstorms to disease-carrying insects, there are a lot of dangers that need to be considered. However, readers of this book will be prepared. Through detailed descriptions of how to build shelter, gather food and water, and how to handle the possibility of wild animals, readers learn about the rainforest ecosystem and how to use it well. Survival stories of real people add a captivating element to the main content, and full-color photographs let readers travel deep into the rainforest without getting lost.
