

Lifes a Witch (Wicked Witches of the Midwest Book 7)

Lifes a witch ... and then you die. Bay Winchester is living the witch part literally. Shes hoping to avoid the dying part. The Winchester world is full of trouble when great-aunt Willa and cousin Rosemary come to town. Its clear theyre up to something, but no one can figure out what. Aunt Tillie is loading for bear. Shes declared war on her sister, and shes not taking prisoners or looking to skirt collateral damage. When a young mans body shows up at Hollow Creek, Bays attention is divided thanks to a morose ghost who blames her for ending party time and Aunt Tillies refusal to back down. FBI Agent Landon Michaels enjoys watching the show, although hes worried the dead mans ties to the local drug trade could put the Winchesters in danger due to Aunt Tillies glaucoma medicine side business. Local kids are trying to steal from the property, Aunt Willa is trying to undermine everyone and Aunt Tillie has a secret that shes dying to spill that is when shes not protecting her land with a shotgun. Bay is determined to find answers, even if she dies in the process.
