

A Life In Rhyme - My Family: Rhyming Verse and Story Poems (Volume 2)

A Life In Rhyme - My Family is the second book in a collection of rhyming story poems I've written over a period of years. None of them were initially written for book publication, but I have received such encouragement from friends and family about them, I've decided to compile the verses into four different titles. Book 2 introduces you to my family and the story poems I've written for them on their special birthdays and anniversaries. Discover the link between the village where I live and the famous Harley Davidson motorbike. Let me introduce you to my immediate family as well as my Grandma who's amazingly just celebrated her 100th birthday, and to my mother-in-law who has Alzheimers! Each one is like a This Is Your Life set in rhyme. I hope you enjoy reading them as much as I enjoyed writing them.
