

## Soul of Tyrants (Demonsouled Book 2)

For fans of Robert E. Howard, David Gemmell, and Raymond E. Feist, here is the sequel to the critically praised Demonsouled. Mazael, now Lord of Castle Cravenlock, has subdued the demonic power within his soul, though at terrible cost to himself. Yet peace remains elusive. Mazael's former overlord plans a war of pride. A corrupt order of militant knights scheme for brutal and bloody conquest. The serpent people and their followers plot a terrible vengeance upon Mazael and his sister. And a foe more terrible than any he has yet faced awaits. For Mazael was not the only child of the Old Demon...  
**ABOUT THE AUTHOR:** Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the Demonsouled trilogy of sword-and-sorcery novels, and continues to write the Ghosts sequence about assassin and spy Caina Amalas, the \$0.99 Beginners Guide series of computer books, and numerous other works.
