

## Boxed sets: Mystery: Box set of Two Suspense Thrillers (Suspense novel series of adventure mystery books and Epic Fantasy)

Book 1 : Dead But Living Eric had never done any good to anyone in his life. But, when he is about to die of tuberculosis, something saves him - A Dream. He believes something EVIL has saved him, and he knew he had to re-pay whosoever had saved him because that's what he would have done. To find the truth, he goes back to Glenville to meet Father Frederick, who could guide him. Instead, he finds two explorers who are after a treasure. While chasing them, he comes to know about the mysteries of the place that he had spent his childhood and also about the people he had met recently. He follows them and soon he finds himself in unknown territory. However, he encounters something that tells him the truth about his losing their track and how he is linked with the two explorers. Will he find the reason behind his getting cured? Who has saved him and what does it want from him?

Book 2 : Wrong One When Kiara invited Jake to a family wedding, he had not thought that it will be different from any other wedding. However, he started sensing something wrong with everyone in the wedding party. Kiara shrugged it off as Jake being paranoid, but Jake persisted. Is Jake going to find out anything or is it a mere hunch? Or Kiara's fear of Jake creating a trouble in the marriage will come true?
