

## Beautiful Bounty (The Bounty Hunters: The Marino Bros.) (Volume 1)

Ronnie Sears has a college degree, a promising future, a boyfriend, and a plan. But, her perfect life comes crashing down around her in the blink of an eye. Arrested, framed for drug smuggling, and facing years behind bars, Ronnie sees no choice but to run. Only she can prove her innocence. Nikko Marino is a sexy, devastatingly charming bounty hunter. His job, as told to him by his older brothers, is to keep an eye on the curvaceous blonde. Make sure she doesn't run. But what his brothers don't know is that he and Ronnie have a past. He and the Ice Princess are more than mere passing acquaintances. She makes his blood burn, and he knows how to warm up this woman. Nikko wants to prove himself, but this beauty might just take him down. With his reputation on the line, will Nikko, the hot-blooded youngest Marino, fall for this temptress? Will he be able to protect this beautiful bounty from herself, from the man who framed her, but most importantly can he protect his heart? Beautiful Bounty is the first book in The Bounty Hunters - The Marino Bros. Suspenseful, erotic, and romantic, these books are packed with passion, sex and characters you will love.
