

Stalky & Co.

Based on Kipling's own adolescent experiences, *Stalky & Co.* is a cunning story of mischievous 19th century British schoolboys attempting scholastic mutiny. The faculty and headmaster of a boys private school repeatedly pursue a trio of poetic pranksters, Stalky, Beetle and Turkey as they wage war on fellow students and the establishment with unwavering energy and creativity. *Stalky & Co.* is at times poignant in its realistic portrayal of boys negotiating manhood and hilarious in its illustration of their relentless attempts to beat the system, even in the face of creative punishment and a savvy housemaster. Listeners of all ages will delight in this tale of ingenious schemes and rebellious antics.
