

## Steinbecks Typewriter: Essays on His Art

[Steinbecks Typewriter: Essays on His Art] collects several of DeMotts finest essays on Steinbeck... [that are] so carefully revised as to warn other critics seeking their own collected essay volume of the difference between a genuinely lapidary compilation and a kitchen midden. Illustrated with some rare photos, this collection is especially notable... John Ditsky, Choice ...Steinbecks Typewriter... stands as the most in-depth treatment of Steinbecks aesthetics, particularly in its exploration of the authors interior spaces and creative habits, elements of Steinbecks artistry which have not only been underestimated but woefully ignored.
