

Strange Magic - Part Two

Billy Blade is a hardworking, hard living, razor sharp musical force. Mysterious behind his dark shades, the rough around the edges Texan mesmerizes with his haunting harmonica and tantalizes with his dangerous looks and smooth country charm. His latest album is topping the charts. Hes the newly crowned King of the Bacchus Krewe. Hes definitely living the rock star dream. Exotic Creole beauty Thyme Bellerose couldnt be more content. She has it all. An adoring grandmother. A handsome Tulane medical student beau. A satisfying job in the heart of New Orleans French Quarter. Her life is as rich as the ice cream she creates. Shes got everything under control. But control is an illusion. Dreams can turn into nightmares. And now during Mardi Gras, otherworldly powers stand ready to shape their destinies in ways they could never imagine. Shadow and light. Magic and mystery. Reality and myth. All come together in a place where rules bend and lines blur. Even those between life and death.
