

## Style Guide: Fashion From Head to Toe

This is the second book in a series of illustrated guides to popular subjects such as natural history and fashion, beautifully presented as a book of high-quality decorative black-and-white prints. Style Guide: Fashion From Head to Toe features incredible clothes from 1900 to the modern-day, including decadent ballgowns, swinging sixties mini dresses and 80s power suits - with information on each piece included on the reverse of each print. Pull out each of the 35 prints and colour them in as you wish, either by following the colouring tips on the back or by letting your imagination run wild, then hang them up on your wall or give them away as presents. With gorgeous, detailed artwork and an eye-catching 100% gold foil cover, this is a colouring book that will stand out from the crowd.
