

The Company of Shadows (The Healers Shadow) (Volume 3)

The final book in The Healers Shadow Trilogy. Sarah died of a fall. You fell from a tree. Your dreams can spill into your life, endangering you and those you love. Preposterous. They were accidents. Were they, Judith? Are you sure? Judith may have stopped being a healer, but she has a loving husband, two boys and a successful business as a perfume-maker. She's content. So why does she keep having nightmare about falling? When an accident throws her life into turmoil, she is forced to leave her home and seek the help of strangers. She must face her darkest fears and learn how to fall. She meets with two women she has long avoided and meets with others she thought she had lost. But most importantly she finds herself.
