

The Invoker (Arboreal Dawn Book 1)

In response to ecological disaster, the Earth has reawakened the ancient gods and brought forth a savior for the green and living creatures facing extinction as we hurl headlong into our new millennium. Silvanus, a member of an ancient and mystical pre-Celtic race is reborn to our time. He calls his disciples from among a spiritually starved population, reawakening a dark past to save the Earth's future.
