

## Charmed (The Vitruvian Man Book 2)

Brought together by accident, bound by fate and magic. Love works its charm over Bruno DiCesare and Melina Weaver during his transformation from beast to man. But love likewise blinds them to the secrets each holds. Bruno thinks his secret will devastate Melina. Melina is afraid Bruno will hate her for what she's become. Neither guess the greatest danger lurks outside their door and could force them to choose between love and life itself.
