

Memories of Ash (The Sunbolt Chronicles Book 2)

In the year since she cast her sunbolt, Hitomi has recovered only a handful of memories. But the truths of the past have a tendency to come calling, and an isolated mountain fastness can offer only so much shelter. When the High Council of Mages summons Brigit Stormwind to stand trial for treason, Hitomi knows her mentor won't return with Arch Mage Blackflame behind the charges. Armed only with her magic and her wits, Hitomi vows to free her mentor from unjust imprisonment. She must traverse spell-cursed lands and barren deserts, facing powerful ancient enchantments and navigating bitter enmities, as she races to reach the High Council. There, she reunites with old friends, planning a rescue equal parts magic and trickery. If she succeeds, Hitomi will be hunted the rest of her life. If she fails, she'll face the ultimate punishment: enslavement to the High Council, her magic slowly drained until she dies. *Memories of Ash* is the highly anticipated sequel to *Sunbolt*, Book 1 of *The Sunbolt Chronicles*.
