

One For All

In One for All, an elementary school gymnasium bursts to life with friendly baseball bats, tennis rackets and yoga mats welcoming Seth, the soccer ball, into their playful world on his first day of school. That is until Buster, the bowling ball, smashes into their fun. Its easy for young kids to take on a passive role around peers with aggressive personalities. One for All encourages young children to work together and use teamwork to stop bullying, offering tools and language to help them stand up for themselves and others. With a fun cast of sporty characters and a cool vintage yearbook style, One For All is an engaging way to support parents, teachers and caregivers in their quest to raise kind, compassionate human beings.
