

Sweet Desire: A Paranormal Romance (The Transformed)

Fate can only be avoided for so long. Gessilyns time is up. She has been living a quiet life, pretending to be human for many years, but now shes a witch on the run. Her old coven has found her and they want Gessilyn dead. If shes to survive, Gessilyn must return to her roots and learn magic from a father she never knew. The power within her reveals itself to be stronger than she can handle. As a result, Gessilyn finds herself more of a risk to herself than anyone else is until she can learn to control it. While needing to focus on all she has to learn, Gessilyn finds herself increasingly drawn to Killian, the handsome loner in her fathers coven. She tries to ignore her growing feelings, but they only intensify. Will she be able to hone her powers in time to defeat her old coven, or will Killian distract her and be her downfall?
