

## Sworn To Secrecy (Courtlight Book 4)

In the heart of the Imperial Court, Ciardis Weathervane knows that death is coming for the empire. With her friends by her side and the new triad of Weathervanes, she's in a race against time to convince the court of the same. She must do her best to unite kith, mages, nobles and merchants under one cause - the fight to prevent a war. Soon she is forced to keep a secret that could exonerate her mother of the Empress's death, and is always one move away from stepping into diplomatic chaos. Throw in a daemonic prince who is showing interest in the youngest Weathervane, a jealous prince heir, and an irritated dragon with her own designs on Ciardis, and you have an imperial court in turmoil. This fourth novel continues the story of Ciardis Weathervane from Sworn To Conflict.
