

Sydney Rye: Nemesis (Kindle Worlds Novella) (The Galilee Falls Trilogy Book 4)

Sex traffickers, serial killers, and superheroes...welcome to the world of Galilee Falls, Sydney Rye! Sydney Rye thought she wiped out the Cartel responsible for killing her friend Malina, but that was only the beginning. She finds herself in a new city, a city with one of the highest concentrations of superheroes in the world, with a new partner to finish the job and avenge her friend. Nemesis knows a lot about vengeance. The self-proclaimed goddess of retribution has spent the past four years terrorizing the rapists and abusers of her city into submission. But the life of a vigilante is a lonely one. When the Joyful Justice Network asks her to aid Sydney Rye in breaking up a sex trafficking ring, she leaps at the chance to work with the legend. But Sydney isn't there to make friends. Can the women put aside their differences to wipe the villains off the map once and for all? Maybe with a little help from a White Knight...
