

The Devil & Dan Cooley (Devils Point Book 2)

Remember Which Road Is Paved With Good Intentions? Hells cloven hooves have landed in North Carolina in a big way. Jobs are leaving, people are fleeing, and more than 50,000 Hellraised are...well...raising Hell. But DJ Dan Cooley has an inspired ideareform Hells minions, one devil at a time, starting with Devil Second Class Puck, who is unemployed from Hells bureaucracy, homeless, unwashed, and wretched. Dan figures if he can get Puck a job, give him a makeover, and help him to meet a better class of people, the devil might just have a change of heart, with the hope that the rest of Hell might follow Pucks example. Its The American Way. Its The Right Thing to Do. It also might be just plain crazyand as the devil, the state, Dans girlfriends, and Dan himself all leap from the frying pan into the fire, the only sure thing is that somebodys going to get burned.
