Its a perfect agenda for a rich shifter who has no problem letting his inner grizzly out to play. From the bright lights of Vegas, to the sophisticated action of New Yorkhes got the money and the power to do anything he wants. Anything, except resist the lure of Lady Luck, an ancient copper coin he gambles yearly to possess. Jim is determined to regain control of the pretty penny, and damn if hell let any bit of eye candy distract him from his goal. Not even the mesmerizing woman in the middle of the casino floor with the shimmering hair and enormous green eyes. With a life-changing move ahead of her, Lillies finagled a temporary layover en route to her future. Shes got five days to soak in new experiences, and while Vegas is too big and shiny and loud for her shy bear self, shes eager to do this up right. Its the last chance shes got to let her hair down. Until his challenge begins, Jim is more than willing to oblige Lillies wish for a final fling. Only Lady Luck has some twists of fate planned for them both --- Includes a BONUS SCENE for the story titled FRIENDS AND LOVERS.
