

Tallulahs Tutu

Tallulah just knew she could be a great ballerina, if only she had a tutu. So she starts ballet class. When she does not receive a tutu, she quits. But everywhere she goes, things keep reminding her of ballet. Her neighbors basset hound always stands in second position. The kitchen clock performs perfect ronds de jambe. And Tallulah cant seem to stop doing ballet, either. A park bench makes a perfect barre, and what better way to pet the dog than with a graceful plie? This well-told, funny story with a smart new character will satisfy girls cravings for pretty and pink, but also shows that ballet is about more than just the tutu.
