

Taming The Fae (Exsilium Short Story Book 1)

This is a short story based on events that happened within the Kasadya Hellhound Series. What ever happened between Max and Nanini? Nanini is determined to make Max as miserable as possible. She doesnt want a mate, she just wants to be free. She is not going to submit, no matter what. Max is determined to make this doom mating work. But taming the flaming fae isnt going to be easy. She doesnt want anything to do with him, and fights him around every turn. Will destiny take the lead, or is Max in for one hell of ride?
