

The ArcKnight Chronicles (A Paranormal Shifter Romance Books 1 & 2) Volume 1

Includes Books #1 & #2 of The ArcKnight Chronicles: Ardent & MarkTier
Vengeance is the only thing worth dying for. Only love can save you. Teaming up with a handsome shifter named Ephrem, the banished Princess Lilliana must find her stolen Ardent talisman before a sinister enemy uses it against both rival wolf pack strongholds. Thrown onto a path neither of them expected, they stumble across a third cell of supernatural shifters lurking in the city's Outlands where tensions mount. These new strangers want nothing more than to disrupt the two royal strongholds, the ArcKnights and the MarkTiers, and reignite a long-forgotten feud from decades past. In the treacherous City of Temple where supernaturals and humans intertwine, only the most cunning will survive. Book 3: Enmity Now Available!
