

The Baby-Sitters Club Mysteries #7: Dawn and the Disappearing Dogs

The hit series is back, to charm and inspire another generation of baby-sitters! Dawn feels terrible when her pet-sitting charge, Cheryl, disappears. She doesn't understand how the huge Great Dane could have just ... vanished. Then Kristy's puppy, Shannon, goes missing, too, and Dawn knows something suspicious is going on. She doesn't think the dogs have run away; she thinks someone's taken them. And Dawn is determined to find those missing dogs. Because what could be more awful than having your favorite pet ... stolen?! The best friends you'll ever have are detectives, too!
