

The Baddings Collection

One of the minds behind the Ministry of Peculiar Occurrences takes you back to Chicago in the 1920s...The Case of the Singing SwordChicago, 1929. There are a thousand stories in the naked city; and when you're a dwarf at four-foot-one, they all look that much taller. It is The Era of Prohibition, where crime runs rampant in the streets and a city divided into territories serves as the ultimate prize. Somewhere in this Underworld of Chicago, an enchanted weapon holds the key to ending The Gangland Wars. In the wake of The St. Valentines Day Massacre, only one is man enough to stand up against Al Capone... ..a four-foot-one dwarf named Billibub Baddings. Billi, as his friends come to know him, is a working stiff dwarf in the all too-human sized world of Chicago. Seems that a brood of orcs and a renegade warlock had opened a Portal of Oblivion in his homeland and was planning to submerge his nine lands of Acryonis into an Age of Darkness. Billi had managed to throw a monkey wrench into those plans...but not before getting himself caught in the pull of that portal. When he came to, he found himself in the heart of The Windy City during The Roaring Twenties. After dealing with trolls, goblins, and rock dragons, Al Capone and Bugs Moran are about as intimidating as choir boys. Billi sets himself up as a tough-talking, waist-high, straight-dealing detective, and business was looking bleak, until a dark-eyed beauty crossed his threshold with the case that involved the mob, the upper-crust of Chicago society, and Billis past. Get ready for The Lord of the Rings written by Mickey Spillane! Poking fun at the hard-boiled detective novel, Fantasy mainstays, and even the legend of Chicagos 1920 underworld!The Case of the Pitchers PendantChicago, 1930, and following the financial calamity of Black Thursday, Billi is doing everything he can to keep his business

afloat. The change in seasons, though, brings him a case that appears to be a true blessing from The Fates. Chicago Cubs Manager Joe McCarthy suspects something fishy with the Baltimore Mariners, a new team in the league, and hes hiring Billi to look into it. What appears to be the dream job - being paid to research and attend baseball games - turns out to be a nightmare as he discovers one of the Nine Talismans of Acryonis somewhere in play at Wrigley.
