

## Blood Debt (Volume 2)

The queen of the underworld has a new play toy and her name is Jessica Blood. Bad boy Duncan Jasper and passive healer Amanda Blood are on the run for their lives with a horde of demons on their tale. The queen of the underworld, Lourdes, wants Amanda to free Lourdes from her prison and its all on Duncan to keep this from happening. But Amandas soul is fractured and bleeding thanks to the torture she suffered at the hands of the high-level demon, Vaughn. Now a painful ritual is her souls only chance at survival. If Duncan fails, Jessica Blood may never be free from the chains that bind her to Lourdes. Demons swarm to their location and Jessica walks right into a trap theyve set for her. But to cure her sister, Amanda will have to embrace the pain and welcome the beauty of death. All before they get ready to stand off against Lourdes and the demons of hell, coming to claim their souls. Hold onto your seats! Long-held family secrets and heartache are about to be revealed.
