

Hard Trail to Socorro (Bodie Kendrick - Bounty Hunter Book 1)

Bounty hunter Bodie Kendrick apprehended his prey without too much trouble. Claiming the reward, however, turns out to be considerably more difficult. First there is Veronica Fairburn, the beautiful woman who has her own business in Socorro and insists on sticking with Kendrick when he sets out to return there with his prisoner. Then there's the gang of tough ranch hands dead set on relieving him of the prisoner in order to dish out their own brand of personal revenge. Plus the Mexican desperado stalking the woman. Not to mention the band of renegade Apaches raiding throughout the region. It all makes for Kendrick having his work cut out for him. Complicating matters even more are the feelings developing between Kendrick and Veronica. But the greatest challenge of all may come from the daring passage they must attempt over the Jornada del Muerto, the Journey of the Dead, awaiting them in the merciless White Sands desert. Peacemaker Award-winning author Wayne D. Dundee is at the top of his form in this gritty, action-packed tale of desperate, determined people fighting each other and the elements in order not only to achieve their goals but also to simply survive.
