

The Bucktail Cap in the Trunk: Volume 1 (More Secrets of Marienstadt)

Return to Marienstadt, the Pennsylvania Dutch town in the Allegheny Highlands, where stories new and old abound. Volume 1 of this series features four stories: I Treeing: Its Christmas and antique dealer Jim Loeffler has a mission to find a Tom & Jerry set for Ruthie Weiss treeing party but the search becomes more difficult than he thought until he meets a fellow antique dealer with a sparkle in her eyes. II - The Kissing Tree: Chief of Police Henry Werner is in love. The problem is, considering his romantically adventurous past, no one takes him seriously. III - The Memory Quilt of Lacey Mulhearn: A new business woman in Marienstadt brings Gretchen an antique quilt found in the attic of the house she is turning into a B&B. With the help of Miss Martha they uncover a story from the past when one of the town's first Irish immigrants decided to take a wife. IV - Continental Divides: As woodsman Oliver Eberstark contemplates a big change in his life he takes a walk in Opelts Wood. Remembering lessons his grandfather taught him, a realization about his life surprises him. Volumes 2 and 3 are coming in June and July of 2015
