

The Catacombs of Vanaheim (The Nine Worlds Book 2)

The Catacombs of Vanaheim is a Historical Fantasy Adventure For Children of Ages 9+. It is the sequel to Shield Maiden. The Bifrost - the passageway between the Nine Worlds - is open and now Annas village is under attack by creatures and horrors the villagers are not prepared to deal with. So now Anna and her companions must travel to Vanaheim, home to the Vanir: gods of wisdom and magic. There the young sorcerer, Wilburh, hopes to obtain a way to protect their village. It is not as easy as all that for Wilburhs magic is failing him and they find that the gods themselves are prisoners. To free them the children must enter the deadly Catacombs. In there they will need all their courage and skills just to survive.
