

Boreal and John Grey Season 1

Dangerous Shades, magical portals, sexy elves and a spunky heroine. Read the complete First Season of the series Boreal and John Grey, books 1-5 (The Encounter, The Gate, The Dragon, The Dream and The Truth) at a special price with an Authors Note at the end. Centuries ago, they nearly conquered humankind. But their Gate to our world closed, leaving them out. Now the elves have found a way back. Ella Benson, agent of the Paranormal Bureau, fights the Shades when they cross into our world, keeping everyone safe. But increasingly dangerous creatures are slipping into her city, her work partner has just gone missing, and a mysterious and, quite frankly, hot guy saves her life. His name is Finn and, as it turns out, hes a natural when it comes to fighting the Shades. When the Gates between the worlds start opening and the elves make a comeback, Ella needs a new, temporary partner. Enlisting the mysterious Finn is a no-brainer, until she realizes he is guarding dangerous secrets of his own. Together with Finn, and the fate of the world on her shoulders, whats Ella to do but grab her weapons and figure it all out, one way or another. Warning for profanity and adult sexual situations.
