

The Claiming: Book Three of The Circle of Ceridwen Saga

Book Three of the thrilling English Adventure loved by over 100,000 readers in 125 countries...How long can you fight Fate? How far must you go to claim what is yours? Sidroc the Dane has been in Angle-land for twelve years. The first nine were all hard fighting. He has won treasure beyond counting, and now peace for his men. But there is one thing he still desires: Ceridwen as his wife. Now Fate conspires to tear Ceridwen and Sidroc away from Angle-land. Thrust together amidst great danger and hardship they fight to survive -- and fight each other. Each day takes them farther from the loyalties and laws of the lands they have called home, and deeper into new challenges and opportunities. Ceridwen's ties to Kilton and all it represents are strong, yet Sidroc is steadfast in his claim to her. A rescued stranger stands between both of their desires, threatening to destroy all that Sidroc has worked and killed to preserve...Surrender to The Claiming
