

The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers: Volume One, 1890-1930

This book is the first volume in what will be a three-volume, fully annotated edition that collects all of Robinson Jeffers letters and the most important of Una Jeffers letters. Volume One, comprised of letters written between 1890 and 1930, also contains a substantial introduction to Jeffers life and work. Readers of Volume One will acquire a completely new understanding of Jeffers formative years. Topics of special interest include the evolution of Robinson and Unas relationship (which involved the breakup of her first marriage), their move to Carmel, the building of Tor House and Hawk Tower, Jeffers maturation as a poet, the couples widening circle of friends, and their first trip together to the British Isles.
