

The Coyote Way (Vanished, #3)

The Walker chases a rogue spirit, something dark and chaotic that broke through into the land of the living and took on the form of a coyote. Caroline and Owen have been on the move for years trying to find a place to call home. Caroline remains torn her heart split in two. Half of her loves Owen, the other half still loves Ben. Grant travels with them, but he struggles with the weight of his position as Keeper and wants to carve his own path. Everywhere they go they find a strange malice and unease waiting for them. The coyotes handiwork. They dont know it yet, but all of them are travelling in the same direction. Back to Chaco Navajo Reservation ... which is exactly what the coyote wants.
