

The Creators Eye: Mover of Fate, Part I (Science Fiction/ Fantasy)

Destiny is in the hands of those who Create it. Get your copy of the action-packed sci-fi series by award-winning artist, R.N. Feldman. On a hidden archipelago, people known as Movers manipulate matter with their minds while strange Folds in space transform the landscape into wondrous and often deadly anomalies. When a young Mover named Michael Edwards discovers that he is descended from a long line of beings who not only Move matter, but can actually Create it, he finds himself at the center of a cosmic struggle for power. Manipulated by friends, family, and an ominous prophecy, he allies himself with a strange host of creatures and characters as he fights to become Mover of his own destiny. Brilliant! An imaginative and thought-provoking world. -His mom Please stop calling this office. -New York Times Who? -A high school friend??? Heartfelt, witty, and tense, The Creators Eye series is a thrilling blend of sci-fi, fantasy, and metaphysics. Great for young adults and above. Scroll up and grab a copy today!
