

Ravens Call: (A Crimson World Novella)

He came from darkness, lifted from the bowels of despair, saved by hope, but who will save him now? Raven is a survivor, a fighter, but not a lot of people know that. He keeps his past hidden, even from himself. His dirty little secret, the only secret, or so he believes. When Raven and his friends are summoned to The Culling, it seems like a dream come true. Hosted by the Alpha at his famous Retreat, The Culling, an event to select the werewolves that will take on the role of Active Pack and protect the civilian wolves, is a gruelling test of skill. As Raven, Roman, Damon and Kris make the journey to Wales, the days ahead seem filled with possibility. But the stakes are much higher than any of them could have imagined. A shadow stalks The Retreat, a dark assassin with an unholy mission, a mission that will put Raven and his friends directly in the line of fire. As the truth of his inception puts Raven on a supernatural hit list, a choice must be made, one that could change Ravens life forever. When the time comes, will Raven make the right call?
