

Curtains: A Design Source Book

The new edition of Caroline Clifton-Mogg's classic book, which has sold more than 80,000 copies, is an inexhaustible source of ideas, enabling you to design window treatments with confidence and flair. It has all the information you need to design, make, purchase, and install curtains, shades, and sheers for every size and style of window. There is also advice on matching the fabric to the furnishings in a room. -A revised and updated edition with dozens of new photographs. -A chapter on Practicalities explains the basics of curtain-making.
