

A Vintage from Atlantis: Collected Fantasies of Clark Ashton Smith, Book 3

Published in chronological order, with extensive story and bibliographic notes, this series not only provides access to stories that have been out of print for years, but gives them a historical and social context. Series editors Scott Connors and Ronald S. Hilger excavated the still-existing manuscripts, letters and various published versions of the stories, creating a definitive preferred text for Smith's entire body of work. This third volume of the series brings together 21 of his fantasy stories.
