

The Brotherhood of the Snake (The Glass Wall Book 2)

From Award-Winning Author Carmen Caine, a Contemporary Paranormal Faerie Romance: The Glass Wall Series: What if humans were more powerful than they thought? What if an alien race had a reason to keep humanity entrenched in fear? And what if ancient beings that we've met before were still trying to protect us? And just what if the fate of Earth depended upon an average 17-year-old girl with a few secrets of her own? Would she discover that the power of love was truly the strongest of all? The Brotherhood of the Snake - Book Two of the Glass Wall: - The first kiss ... - A secret revealed ... - The arrival of the Mesmers ... After breaking the Glass Wall, Sydney finds herself on the run with Rafael. And as her feelings for him awaken, danger arrives in the form of Mesmers, agents of evil sent by the Brotherhood of the Snake. But when Jareth struts back onto the scene, it isn't long before Sydney finds herself immersed in sinister secrets, and the subsequent whirlwind of events leaves her wondering just who is right and who is wrong?
