

## The Eternity Quartet: The Conjurers Treason

It is the Summer of the World. The old empires have collapsed, and mighty kingdoms rise in their place. It is a time of powerful magic, majestic cathedrals, and great peril. Ed Greenwood, creator of the Forgotten Realms and New York Times bestselling author of Spellfire and Elminster: The Making Of A Mage, and Robert B. Marks, author of Diablo: Demonsbane, welcome you to the second movement of The Eternity Quartet. Elayne Flamehair is a conjurer, an expert worker of magical wonders using sleight of hand alone and an art the wizards will stop at nothing to exterminate. As the witch hunt for conjurers spreads across all of the great kingdoms, Elayne may be the key to stopping it...but only at the cost of everything she loves.
