

The Masked Maiden (The Aria Fae Series Book 2)

HERO OR VILLAIN? YOU DECIDE. When she decided to become a vigilante, no one told 17-year-old Aria Fae about the possibility of public backlash, or the attention the media would garner by dubbing her The Masked Maiden of Grant City. On top of this added heat, a rogue supernatural known as The Scarecrow has escaped his prison, and his history with Aria makes her the crazed warlocks obvious target. Now, she must face her past and defeat The Scarecrow once and for all, or die trying. When things reach their worst, will The Masked Maiden be the hero Grant City needs, or the villain theyve made her out to be?
