

Second Sight (The Gods of Fate Book 2)

When the man Grace Archer loves is pulled into the Underworld, she will stop at nothing to get him back. Her quest is complicated by the fallen god Samael, who is on the loose with a dangerous relic that puts all the immortals in jeopardy. With her powers on the fritz, Grace must help track down Samael and retrieve the deadly Eye of Hera before any more gods fall victim to his madness. Daughter of the Greek Goddess Pandora and the Greek God Prometheus, Grace must dig deep to find the power she needs to infiltrate Hades and convince the God of the Dead to release Chris. But when you make a bargain with the devil, you pay with your soul. [Book II of the Gods of Fate Series (Young Adult Fantasy) released 2011 by Dragonfly Publishing, Inc. www.dragonflypubs.com]
