

The Lord of Dark Waters (The Last Huntress Series Book 2)

Scarlett is the last of her line a huntress sworn to kill all monsters. Rose is a girl searching for the power to take back her homeland. In the frozen wastes of the north, Scarlett confronted the dark truth of her origins. Now, she journeys south with Rose, desperate to leave the horror of the north behind. But the shadows of the past are never far away, especially when they are drawn to the Swamp of Darkwater to hunt down a rogue vampire. There, amidst the cursed, whispering waters filled with muck and memories, Scarlett and Rose will have no choice but to face an evil far greater than they expected. For the swamp is an old place, filled with old evils. It is a place where the churning waters hide the ruins of a cruel legacy centuries in the making. The Lord of Dark Waters has awakened, and they are the only one who can stop him. If they fail then all of the south may fall, drowned beneath the dark, hungry tide of an ancient evil.
