

The Ley Lines of Lushbury: (A Fantasy Thriller For Children)

From the author of Amazon Top 20 Bestseller *The Trespass ...* *The Ley Lines of Lushbury* -- When Tim Herrings family moves to the village of Lushbury near Stonehenge, strange things begin to happen... Who is the mysterious girl hiding in Tims garden? Why do the birds of Lushbury only fly in straight lines, and why do the church bells toll when the building has lain derelict for years? Tims questions are soon answered as the children are pitched into a desperate race to protect an ancient secret buried beneath the Standing Stones -but can they really hope to win against such a terrifying enemy? *The Ley Lines of Lushbury* is part one of *The Power of the Stones* trilogy and was long-listed for the Times/Chicken House Childrens Novel Competition. Reviews:...Really enjoyed this book, very imaginative but I particularly loved the depiction of everyday teenage life. Definitely worth a read!...all the ingredients of the better Harry Potter novels, but packs a stronger punch in the quality of the writing. A brilliant read...I became engrossed in the story and found it extremely hard to put the book down...! Fans of JK Rowlings Harry Potter will enjoy this very English supernatural adventure ...
