

Creatures of The Two Towers (The Lord of the Rings Movie Tie-In)

Packed with photos, this fascinating introduction to the monsters and peoples in the Lord of the Rings film trilogy shows how the filmmakers have brought the inhabitants of Middle-earth to life for the big screen. The book contains creatures familiar from the first film, from the benign hobbits to Lurtz, the ill-fated leader of the Uruk-hai, and includes races prominent in the new movie, The Two Towers, including the Rohirrim, the Easterlings, the Haradrim and the tree-like Ents. Both an exciting introduction for children and a reference for adult movie buffs, there are also behind-the-scenes details on how each creature was designed and brought to life. Includes fold-out poster.
