

The Black Tower: A Novel

From Louis Bayard, the acclaimed author of *Mr. Timothy* and *The Pale Blue Eye*, comes *The Black Tower*, a stunning and pitch-perfect novel featuring the real-life criminal who transformed himself into the world's first and greatest detective. In *The Black Tower*, Bayard deftly interweaves political intrigue, epic treachery, cover-ups, and conspiracies into a gripping portrait of family redemption and brings to life an indelible portrait of the mighty and profane Eugene Francois Vidocq, history's legendary investigator.
