

The Masters Chair (The Chronicles of Terah Book 1)

Since the beginning of time, two sister worlds, Earth and Terah, have coexisted in different planes, surrounded by an immense field of energy. Long ago, magical and non-magical creatures lived together in harmony on both worlds, but as life on Earth evolved in the direction of science and technology, the use of magic deteriorated and soon magical creatures and sorcerers became the subject of myths and legends. Meanwhile magic flourished on Terah, and as sorcerers became more powerful, they became more influential, and soon they were the heads of government. The Council of Sorcerers became the ruling body, with the chairman, the Master Sorcerer, the highest position on Terah, a position that comes with tremendous responsibility and formidable enemies. When Master Sorcerer Badec realizes that his unborn son, Myron, will be his one and only heir, he protects the child by arranging for him to grow up on Earth. Myron is scheduled to be returned to Terah on his twenty-fifth birthday, at which time he will learn who he is and begin to study magic as well as everything else he will need to know in order to assume his role as Terah's next Master Sorcerer. For twenty-three years, things go as planned, and Myron goes about his life as Kevin, a typical nerd, who is more comfortable with computers than with people. Then Badec becomes quite ill and the decision is made to bring his son home early. One morning Kevin is an accountant living and working in Omaha, and the next he is in the middle of a field with six complete strangers, surrounded by huge stones and a forest. Before the day is out, Kevin learns that he is actually a sorcerer named Myron and that he is next in line for the Masters Chair. While he is still reeling from that bit of information, he finds out that due to his father's illness, he has a little less than one year to learn enough about sorcery to be able to defend his life and chair against

sorcerers who have been practicing their craft longer than has been alive. Welcome to Terah.
