

## Iron Warrior (The Mechanica Wars Book 3)

Kanze Zenjiro was once a proud warrior, but he has since fallen into darkness. Now, he finds himself physically, emotionally, and spiritually broken. Crippled and distraught, Zen struggles to find peace. His wounds might heal, but the scars of his treachery will never fade. Enapay and his crew try to repel the Iberian Empire, but the invaders unleash their entire armada. The Iberians will stop at nothing to quench their thirst for the world's resources. From east to west, war breaks out. Rebellion is growing. Blood is spilling. Only the one with the will of iron will be victorious.
