

Marvins Dilemma (Adventures of Marvin Book 2)

Marvins back. But so are his troubles...only worse, this time. In this second adventure of Marvin Carter (after Marvin the Magnificent!) we learn that we didnt really know what was going on in the first installment. But dont blame Marvin--he didnt know the full story either. In fact chances are good he never will, but hes still plugging away. Trying to make sense of the new world hes discovered. Like Columbus, sort of. Only, being Marvin, hes hoping for a happier ending. Not to imply anything. This story is included in the authors The Challenge: A Story Collection, published in October 2015. The Secret (September 2015), the authors third novel, is a near-future post-apocalyptic supernatural thriller.
