

The Topaz Sceptre - Book Four of the Seven Stones of Power

The Alliance sits on the edge of Jarrat. The Dark Knight Ranaroz is in control of Queen Oriana inside the castle. One wrong move would see her death and the death of many others. Alaric has returned to join the army and his first priority is to rescue Alena and Eldred from the clutches of the Evil One. If he is going to succeed in his quest he knows that both must survive. The prophecy sits on a knife edge and Alaric must travel to Castalia if he is going to succeed, whilst the Alliance must free Jarrat from the enemy.
