

## The Peculiar Night of the Blue Heart

Lionel is a wild boy, who doesn't much like to be around other people. He'd rather be a purring cat or a wolf stalking the woods. Marybeth is a nice girl. She doesn't need to be told to comb her hair or brush her teeth, and she's kind to everyone at the orphanage ... Lionel most of all. Different though they are, Lionel and Marybeth are best friends in a world that has forgotten about them. So when a mysterious blue spirit possesses Marybeth and starts to take control—they know they must stop it before the real Marybeth fades away forever. From New York Times bestselling author Lauren DeStefano comes a haunting tale of friendship, love, and the magic of childhood ... and what lies beyond. Just right for readers of *Serafina and the Black Cloak*.
